Photo Category Directory

35 categories · 5 sections · Norway's verified visual archive

GLOBAL CATEGORIES

16 categories

People

Real faces, honest expressions, authentic human moments. The most searched category across every industry — from advertising to editorial.

Business

Modern workplaces, collaborative teams, and technology in action. Built for brands that need professional imagery without the staged look.

Nature

Landscapes, wildlife, and the natural world in every season. One of the highest-earning categories across all major photo platforms.

Lifestyle

Everyday life captured without filters or formulas. The imagery brands reach for when they want to feel real.

Food & Drink

From raw ingredients to finished dishes — restaurants, health food, and everything in between. High demand from hospitality, retail, and media.

Travel

Cities, destinations, and cultural moments worth remembering. Consistently the top search category every summer.

Health & Wellness

Fitness, mindfulness, and the full spectrum of wellbeing. Fast-growing demand from healthcare, apps, and consumer brands.

Family

Multigenerational moments, relationships, and everyday connection. Trusted imagery for brands that speak to real people.

Sustainability

Green economy, environmental action, and conscious living. One of the strongest growth categories heading into 2025–2026.

Architecture

Buildings, interiors, and urban environments — from heritage structures to contemporary design.

Fashion & Style

Clothing, accessories, and personal style captured with editorial precision. High demand from e-commerce, magazines, and lifestyle brands looking for imagery that sells.

Education & Children

Learning environments, curious minds, and childhood in motion. Consistently in demand from schools, publishers, apps, and family-focused brands.

Sports & Activity

From competitive athletics to everyday movement — running, climbing, team sports, and outdoor adventure. One of the fastest-licensing categories in digital media.

Art & Culture

Galleries, performances, street art, and cultural events. Essential imagery for museums, media, tourism boards, and creative industries.

Technology & AI

Screens, devices, data, and the human relationship with technology. Among the top 3 fastest-growing search categories heading into 2026.

Real Estate & Interiors

Homes, offices, and designed spaces that make people stop scrolling. High commercial value for agencies, developers, architects, and interior brands.

NORWAY — EXCLUSIVE TO BETA ART

5 categories · VERIFIED

Norwegian Nature

Fjords, mountains, northern lights, and four dramatic seasons. Authentic Norwegian landscapes — shot and verified by photographers who know this land.

Norwegian Cities

Oslo, Bergen, Tromsø and beyond — captured as locals see them, not as postcards. The imagery Norwegian businesses actually need.

Local Business

Shops, craftspeople, restaurants, and the faces behind them. Real Norwegian businesses documented with care and verified authenticity.

Norwegian Work Life

Fisheries, offshore, technology, and the industries that define Norway's economy. Professional imagery that reflects how Norwegians actually work.

Seasons & Holidays

17. mai, Christmas, Nordic summer, and the moments in between. Cultural imagery that no international stock library can replicate.

NORWEGIAN INDUSTRIES

5 categories · High demand

Maritime & Fisheries

Boats, harbours, fishing vessels, and the people who work the sea. Essential imagery for Norway's most iconic export industry.

Oil & Offshore Energy

Rigs, platforms, pipelines, and energy workers in action. Specialist imagery for one of Norway's defining economic sectors.

Technology & Startups

Oslo's thriving tech scene, innovation labs, and startup culture. High demand from investors, media, and the companies themselves.

Tourism & Hospitality

Hotels, experiences, local guides, and the destinations that draw visitors from around the world. Imagery that sells Norway.

Retail & E-commerce

Products, storefronts, packaging, and online shopping moments. Built for Norwegian brands competing in a visual-first digital market.

NORWEGIAN SPORTS

4 categories

Winter Sports

Skiing, biathlon, skating, and ski jumping — the sports Norway dominates on the world stage. Iconic imagery with massive media and brand demand.

Outdoor & Friluftsliv

Hiking, camping, and the Norwegian relationship with the outdoors. Friluftsliv is a cultural identity — and a uniquely Norwegian photo category.

Football & Team Sports

Matches, training sessions, local clubs, and the passion of Norwegian fans. From grassroots to professional level.

Sailing & Water Sports

Fjord sailing, kayaking, rowing, and life on the water. Norway's coastline makes this a category no other library can match.

NORWEGIAN TRADITIONAL FOOD

5 categories

Seafood & Fish

Salmon, cod, lutefisk, rakfisk, and the full breadth of Norway's coastal food culture. A uniquely Norwegian category with global appetite.

Baked Goods & Bread

Lefse, knekkebrød, skillingsboller, and the warmth of Norwegian bakeries. High demand from food brands, media, and cultural content.

Meat & Game

Pinnekjøtt, reindeer, ribbe, elk, and the tradition of Norwegian festive cooking. Authentic imagery for food media and hospitality.

Dairy & Cheese

Brunost, rømme, and the full range of Norwegian dairy. Distinctive, photogenic, and completely underrepresented in global stock libraries.

Holiday & Festive Food

The Christmas table, 17. mai celebrations, Easter traditions, and every festive spread in between. Imagery that captures Norwegian culture at its most vibrant.
